Changes and Additions Suggested for Economic Requirements for OCI
Periodic Requirements List for the Months 1 May - 31 August 1955,
the USSR and Satellites.

REFERENCE: ORR 8893, 8 March 1955.

The following additions and changes are suggested for requirements for ORR 8893:

Page 9, USSR - Internal - Economic.

Under 1, add:

"e. Since early 1954 several industrial ministries (metallurgy, petroleum, and coal) have been converted from all-union to union-republic status, and a few counterpart regional ministries in these sectors have been created for the ostensible purpose of enhancing regional initiative and improving the use of local resources. Information is desired on the practical effect of this on operations of industrial combines and enterprises."
